In the morning: その執事、有能

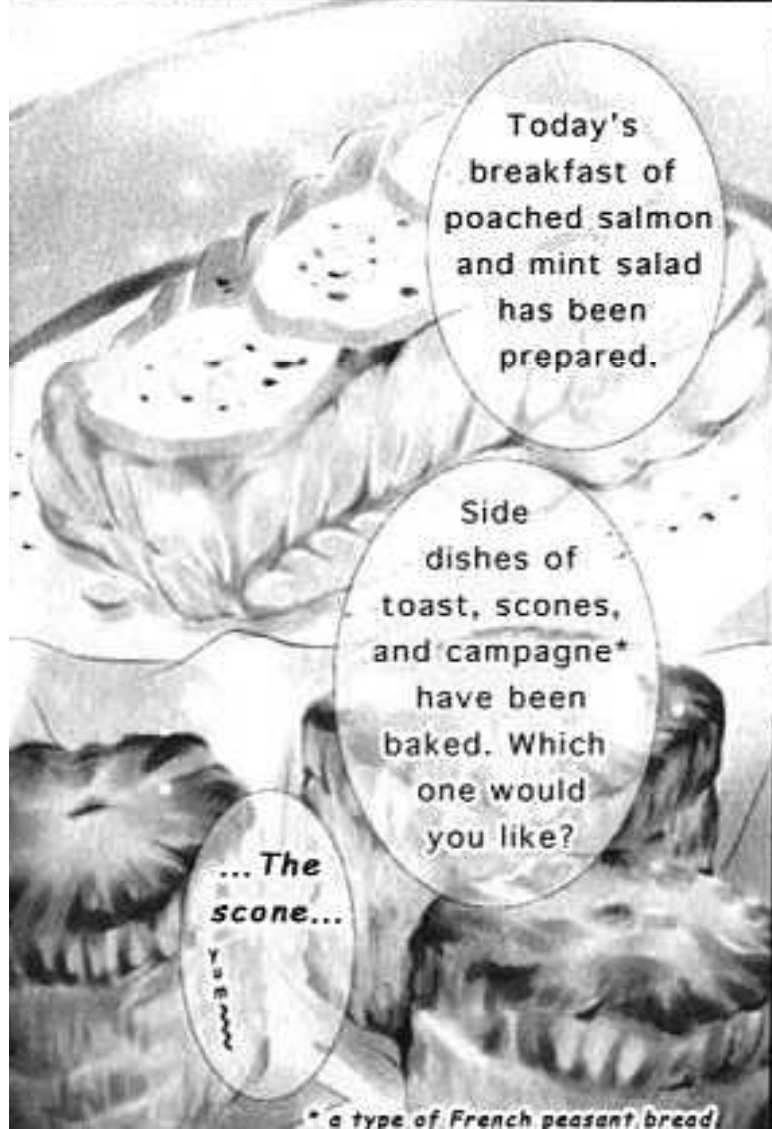

In a mist covered forest not far from London, there lies a manor.

... started off with early tea.

The distinguished noble family of Phantomhive's morning event is...

Today's breakfast of poached salmon and mint salad has been prepared.

Side dishes of toast, scones, and campagne* have been baked. Which one would you like?

... The scone...

* a type of French peasant bread

Young master, it's time to wake up now.

Yes,
and we'll
be using
the Royal
Doulton*
dishes

That
aroma...
is it
Ceylon tea
today?

* Royal Doulton and Wedgwood are both expensive chinaware companies

After
breakfast
you will see
the authority
on Monarch
Study, Profe-
ssor Hugh.

Today's
plans?

Prepar-
ations have
been made
with the
Wedgwood*
Blue-White

ch.

It seems he had a considerable amount of trouble this time

Yeah, he got ahold of the usual goods and contacted us.

We'll carry out the negotiations at my house.

He should arrive here around 6 o'clock.

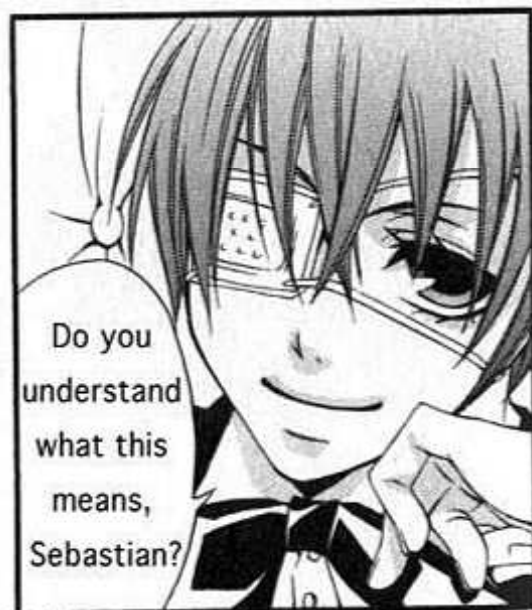

And so,

Sir Clause is coming directly to England?

I am fully informed.

We will surely provide Sir Clause with the best hospitality.

Do you understand what this means, Sebastian?

The sugar was different.
And white.

It's lemonade with Tanaka's "Special Unadulterated ****"

I stopped drinking it with one sip.

Ho Ho Ho

House Steward(?):

What in the world was in that lemonade from before?

The heartburn won't stop.

...By the way, young master...

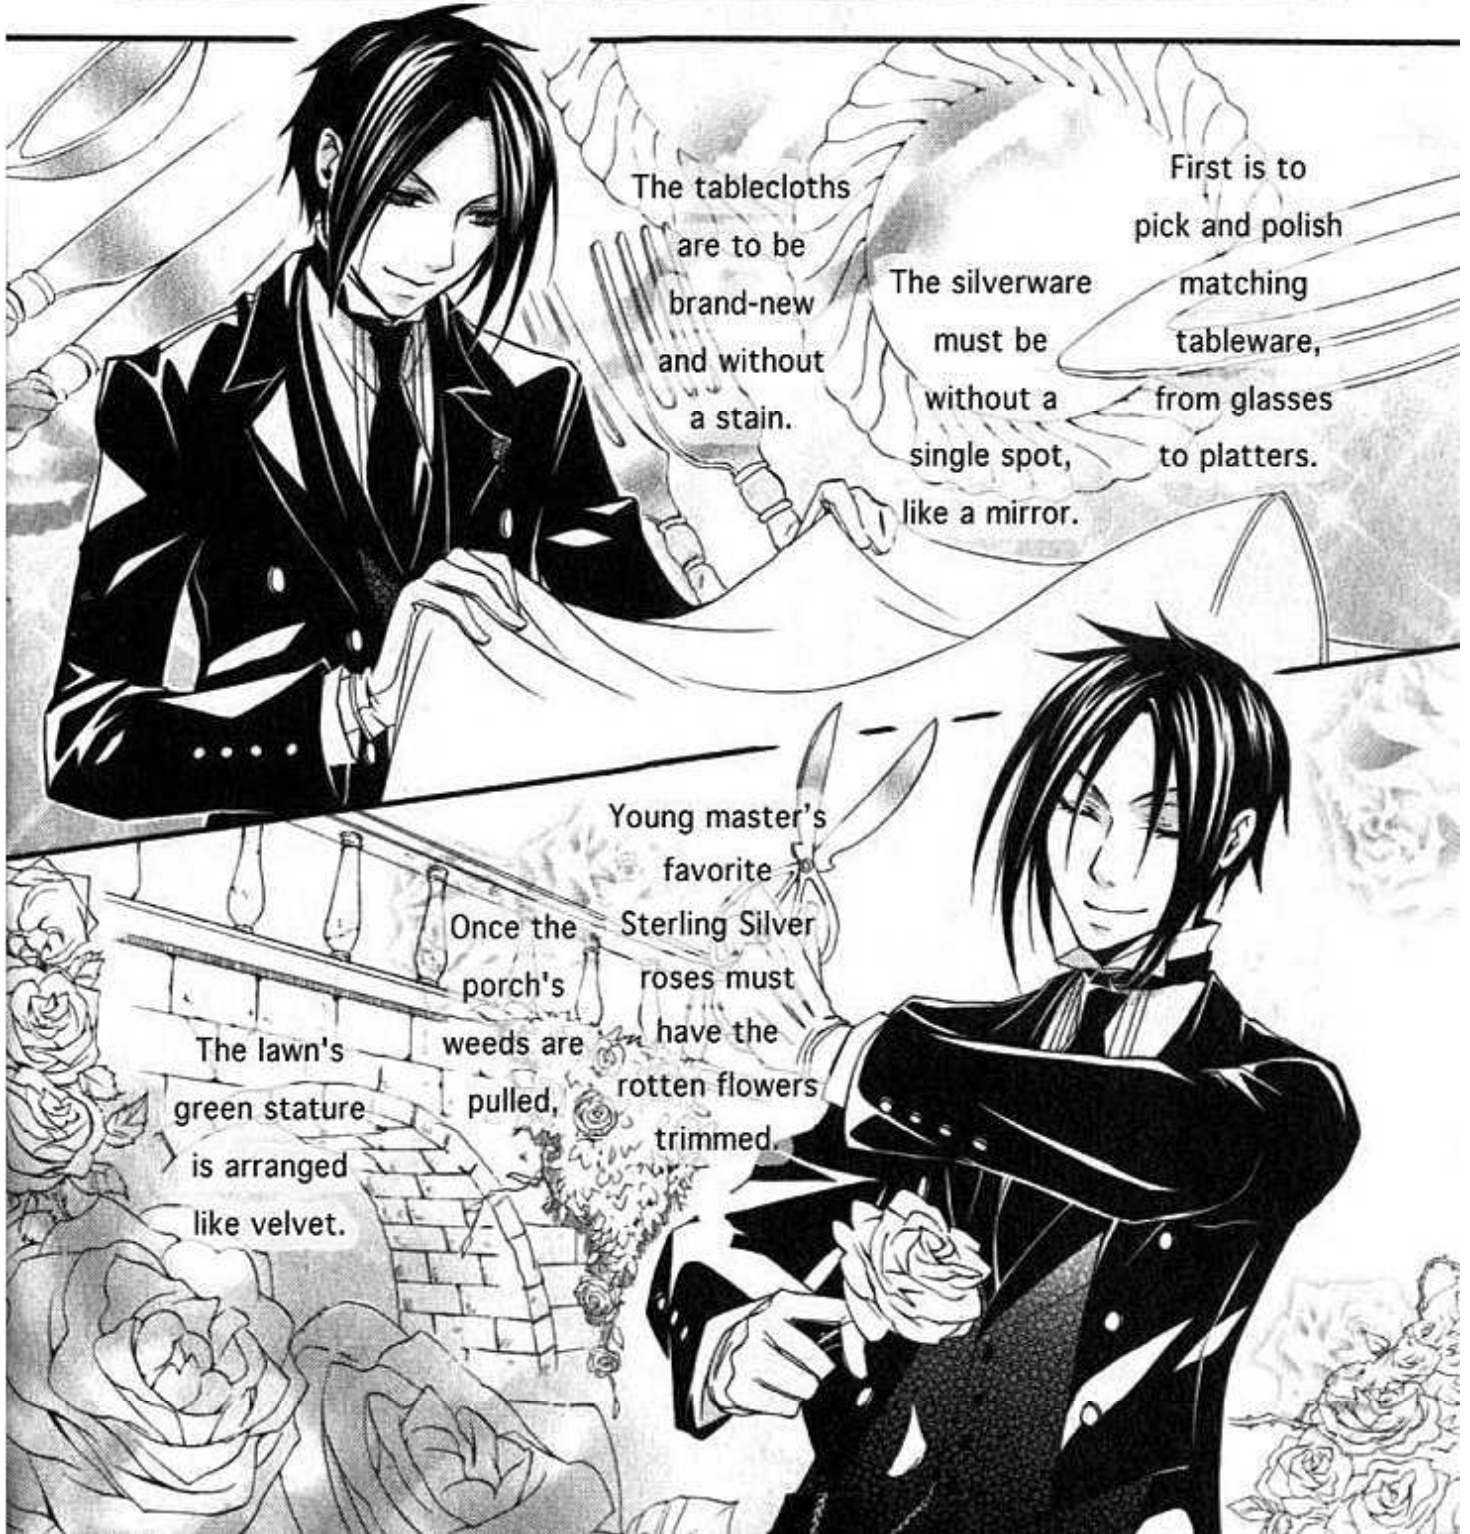

Please
leave it
to me.

Have
fun.

Yeah.

...I will
begin the
preparations,
so I'll leave
it at that.

The tablecloths
are to be
brand-new
and without
a stain.

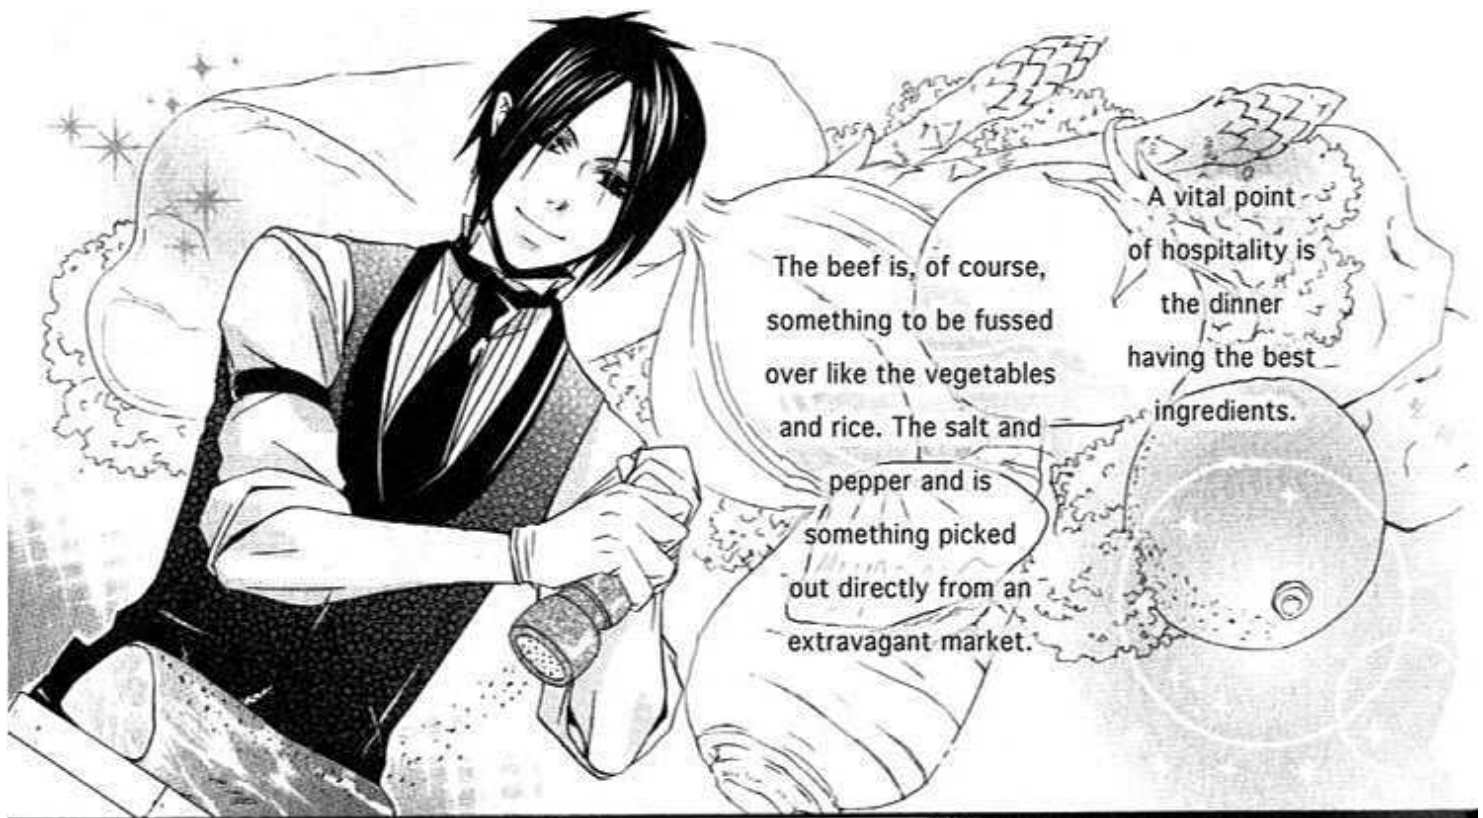

The silverware
must be
without a
single spot,
like a mirror.

First is to
pick and polish
matching
tableware,
from glasses
to platters.

Young master's
favorite
Sterling Silver

have the
rotten flowers
trimmed.

Once the

pulled,

green stature
is arranged

hospitality!!

He said

And please,
sincerely act

ADULTS.

Just now,
he said
it twice.

After this,
please leave
things to me
and all of
you please

Well isn't
England
far? Really.

My, my.

It has
been a while
since I came
here.

Buona sera,*
Ciel! Are
you well?

Perhaps you've
grown a bit?

Too bad,
it hasn't
changed.

*Italian greeting

You came,
Clause.

Welcome,
Sir Clause!

That was
rude! You're the
same as ever,
nothing less.

You, too,
are the same
as always.

SFX: Creeeeck

Sebastian!
It's been
awhile!

I'll take
your

We've
been
awaiting
you,

Sir
Clause.

My hat
too, please.

It appears
that there are
more faces in
this house,
too?

Puff

You've
made that
mansion into
something
beautiful.

Oh...
this is...

Courtyard?

Please
enter the
courtyard.

Wouldn't
you like to
talk to my
Lord?

Because I
must do the
dinner prepar-
ations.

We hope
it pleases
you.

This time,
it is a counter-
balancing
entertainment
ordered by
my Lord.

Here,
please relax.

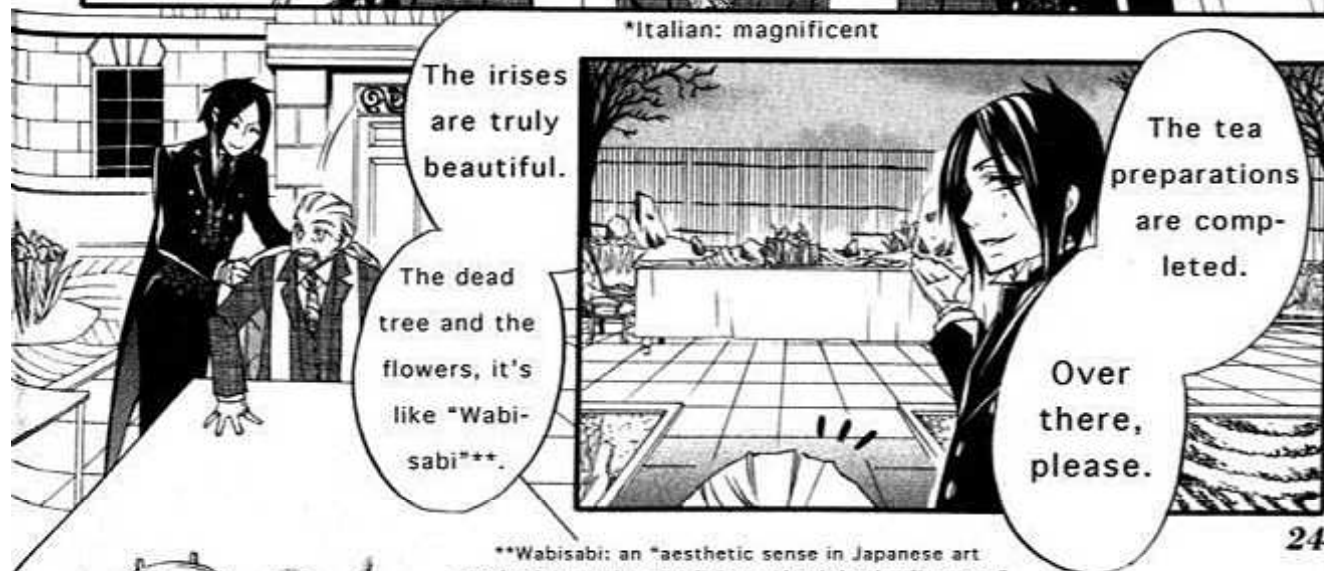

It's a rock
garden
straight
from Japan!

*Prodigioso!**

Oh!

The irises

At any rate,

that's very
ominous.

Since you're
you, at the age
of 12 you were
forced into
developing the
country's best
game-maker.

The evening meal's preparations have been arranged, so please pardon the wait.

Today's menu is the head family's chef, Bardroy's,

Beef Donburi.

Cut it and brought it only ->

Sparkle

eh?
eh?

Sir Clause, you have no knowledge of this...?

Surely in 10 quadrillion meals ...

Is this the evening meal?

Yes.

Gu-
thunk

That is
Donburi!

* True story

We have
the laborers
from ancient
Japan to thank
for Donburi, a
feast that
serves many
purposes.

The
contributor
to society who
has finished his
task has put his
feelings of
thanks and
gratitude into
this food...

The former
peasant that
yearned for court
food, "lavish food",
is said to be
Donburi's
inventor.

And then
I thought that
Sir Clause would
have grown tired
of stuffy food.

So that you
could simply
savor the flavor
of the highest
quality meat, I
devoted myself
to this idea.

Nice
follow!

Next is
my job!

I can't
mess up!

第 2 話

In the afternoon : その執事、万能

That butler, he's full of purpose

I'm soooooorry~

Indeed.

Finnie's idiocy is another bothersome thing.

Humph...

My deepest apologies.

It's true that you grew, but it did take time.

Thanks to that, I got stuck with getting a new one.

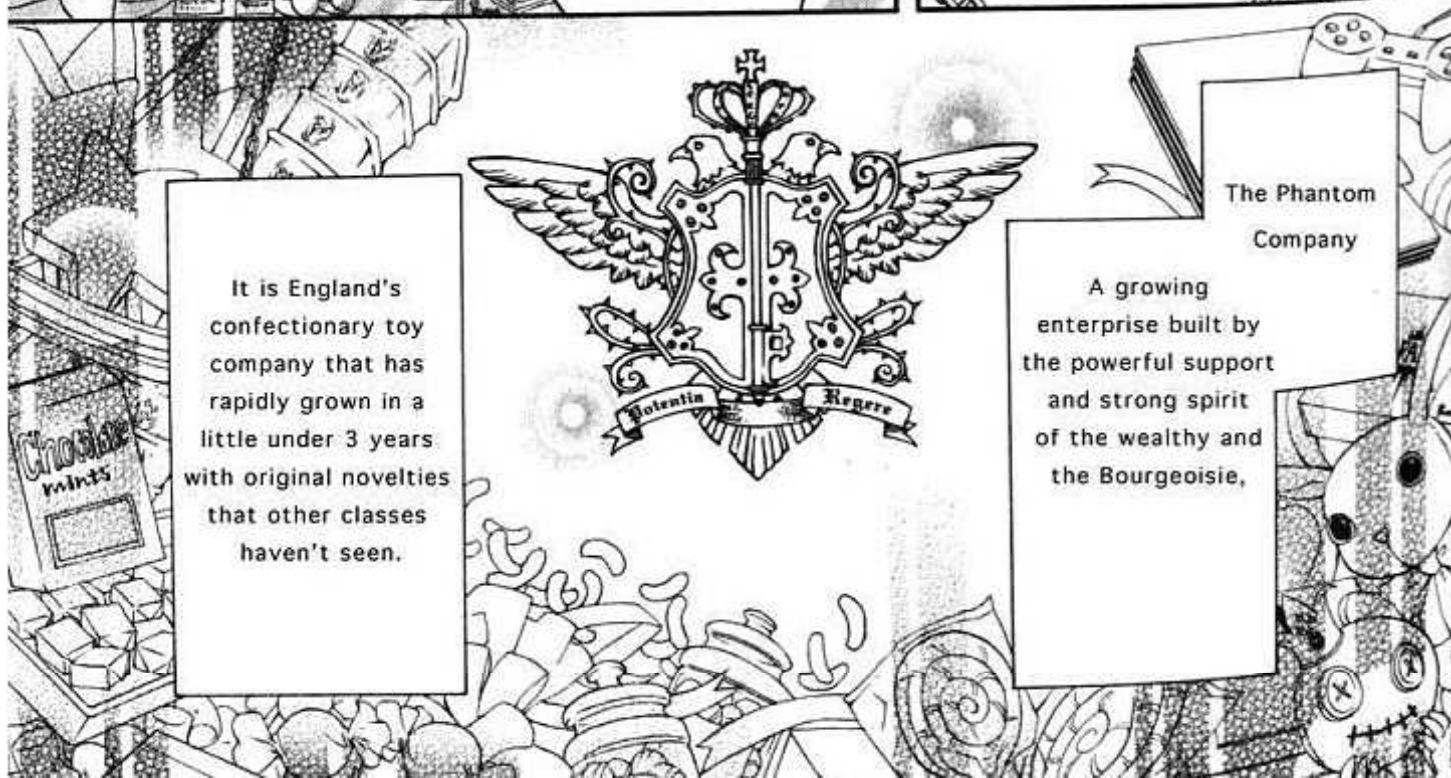

Tap

Look, mommy!!
"Phantom's"

Oh, you...
Didn't I
just buy you
candy?

It's a new one!

It is England's confectionary toy company that has rapidly grown in a little under 3 years with original novelties that other classes haven't seen.

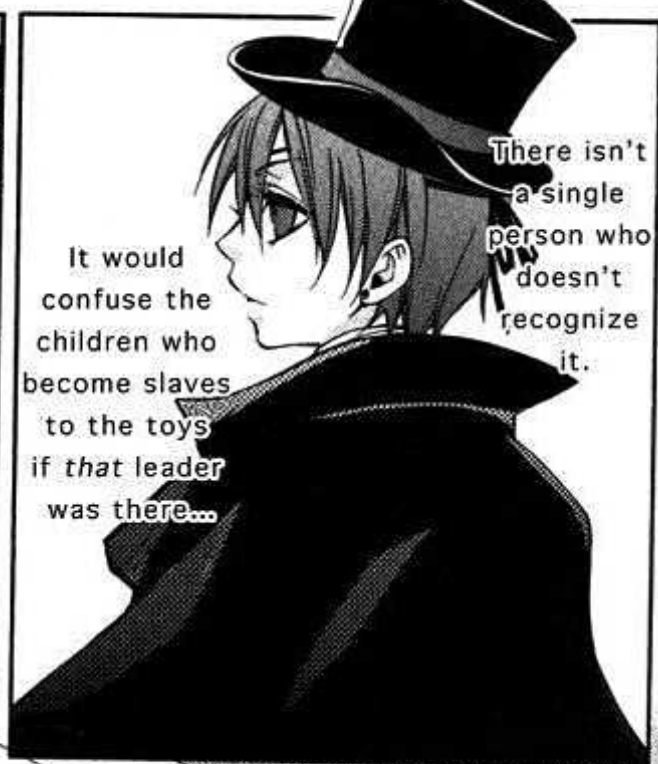

The Phantom Company

A growing enterprise built by the powerful support and strong spirit of the wealthy and the Bourgeoisie,

Now then, Young Master,

Let us return to the mansion quickly.

It would confuse the children who become slaves to the toys if *that* leader was there...

There isn't a single person who doesn't recognize it.

Now there isn't a day when you don't see the name.

I always look forward to the beginning of the program.

didn't I tell you to be careful...?

Finnie... because you're stupid...

He was really mad when I broke the cane yesterday ...

Aaaaah!

No, no, no!

always saying
that?!

It's been a

I've laid eyes
on you.

I have a souvenir
for you, too~!

Sebastian,
good day~!

You're
always wearing
black, so I
thought those
colors would
be good!

Ahem
More
importantly,
Lizi,

Why are you
here? What
about
Grandmother?

Regard for the
things I wear, that
sort of regard for
me...it is a great
honor.

Pink →

It's
fine!

If she left without saying anything, then Grandmother Sebastian, must be worried. contact—

Look, look! I made the ballroom cute too, didn't I!

Cieeeeeeeel~! Come heeeeeeere~!

Ah.

My.... mansion...

Ah!

That's right!

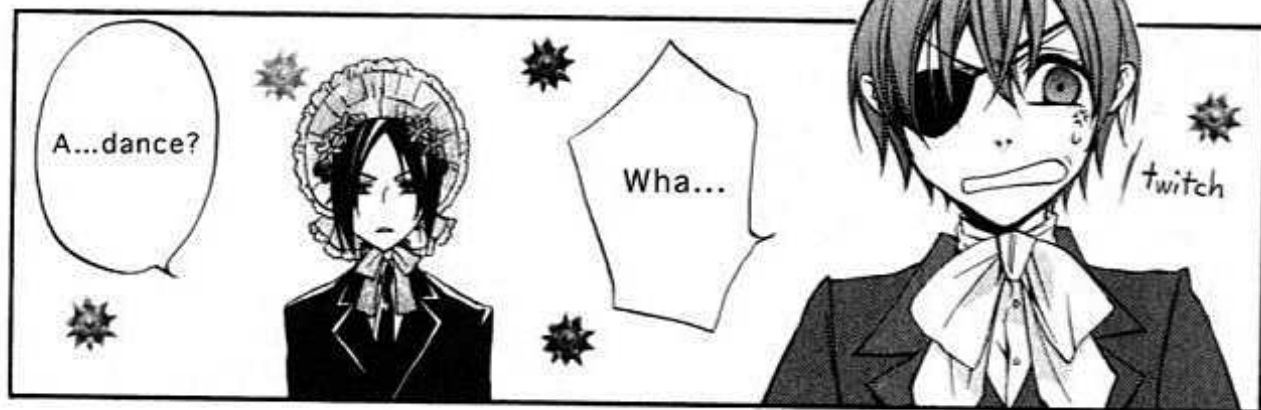

Hey Ciel, since it took a lot of work to make the ballroom like this,

I'll dance with my fiancée as an escort!

KYA-!

Let's have a dance party today!!

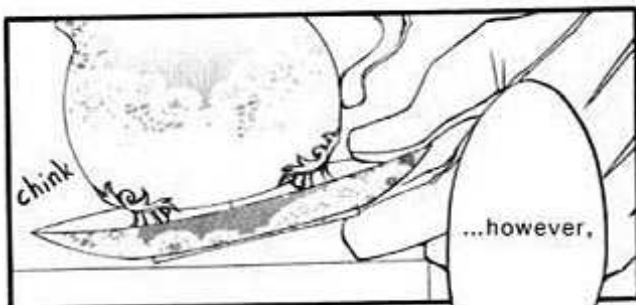

!?

I was forced to do it.

It's not like I became her fiancé,

...however,

Today it would be more profitable to obey her and follow her wishes, yes?

Lady Elizabeth is the previous head of family's younger sister. The daughter of the Middleford-Marquis family that Lady Francis married into...

Also, you cannot turn your fiancée away coldly, so it can't be helped.

I'll
take your
word for it,
but Young
Master,

But
it's often
said that a
dance is a
"social"
thing.

At evening
and dinner
parties and the
like, good
grooming has
become a
must.

I'm busy
with work.

I don't have
time to busy
myself with
games...

.....I get it
already! It's
fine like
this.

You're like Mrs.
Bright or Mrs.
Rodkin of...

Who would
call for a home
tutor?

If you can
become an elite
gentleman,
dancing should
be natural.

If you were to
refuse an invention
from a customer's
daughter, in high
society, your
reputation would
go down the
gutter...

Western style pear,
plum, and blackberry
orchard fruits cake

I often
cause quite a
commotion at
the Schönbrunn
Palace.

If it's the
Winner Waltz,
then please
leave it to
me.

Do you even
know how to
dance the
Waltz...?

Won't you
be my partner
for one song?

My Lord.

Please firmly
hold the
woman on
her back.

...Is this
alright?

The first
step is from
the heel.

When the
song starts,
begin with your
left foot...

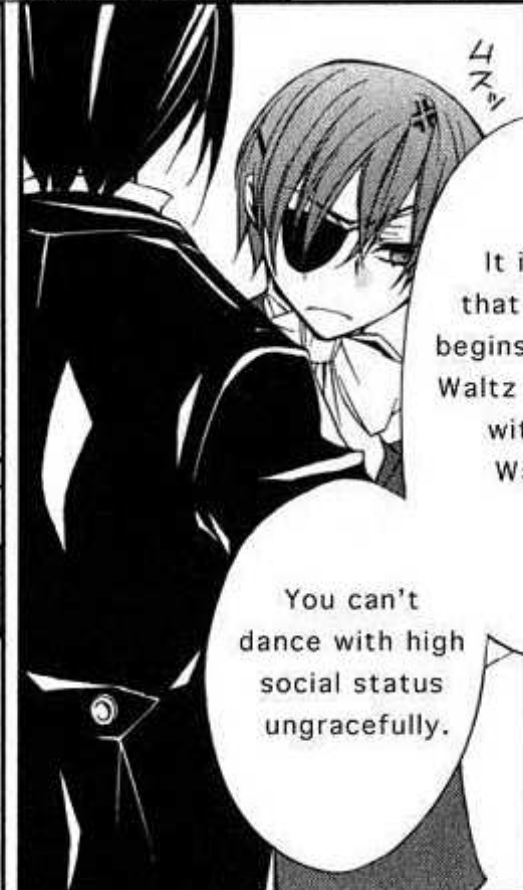

Next is
the natural
turn.

Put your leg
forward as if
you're sliding.

It is
rude to
the lady.

Squish
Squish

Even if
it's a lie,
please make
it seem like
you're
having
fun.

Alright,
smile
happily!

Neee~

First of all,
please do
something about
that sour look.

Smiling...

Let go!

Somehow
I've...

I just made
you cute!

clench

What?!

So why
are you
mad like
that?!

You're terrible!

...HATE

ホー——

It's a
terrible
face.

And you
call yourself
a lady.

I wouldn't want
to invite a lady
with a face
that to a dance,
would I?

Let's
forget those
bad things and
dance until
dawn with
evening party
etiquette,
shall we?

M'Lady?

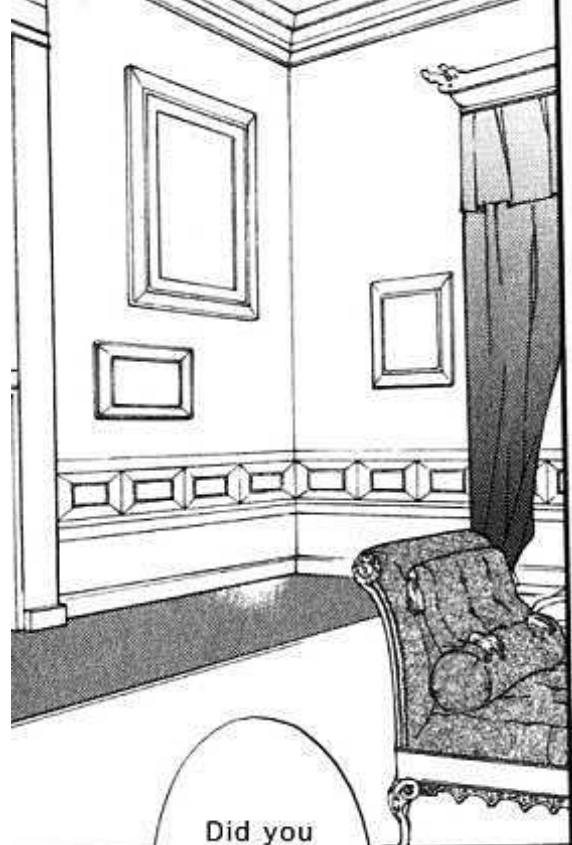

...Yes.

It really
is...like a
dream!

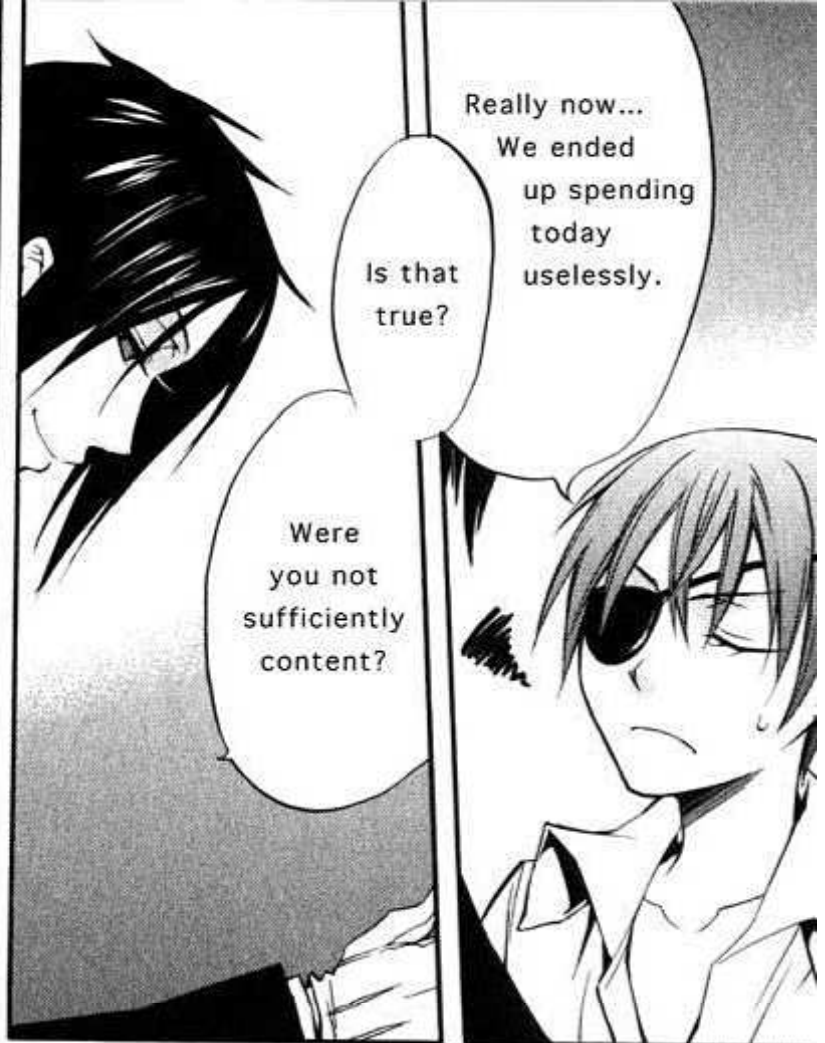

Did you
contact
grand-
mother?

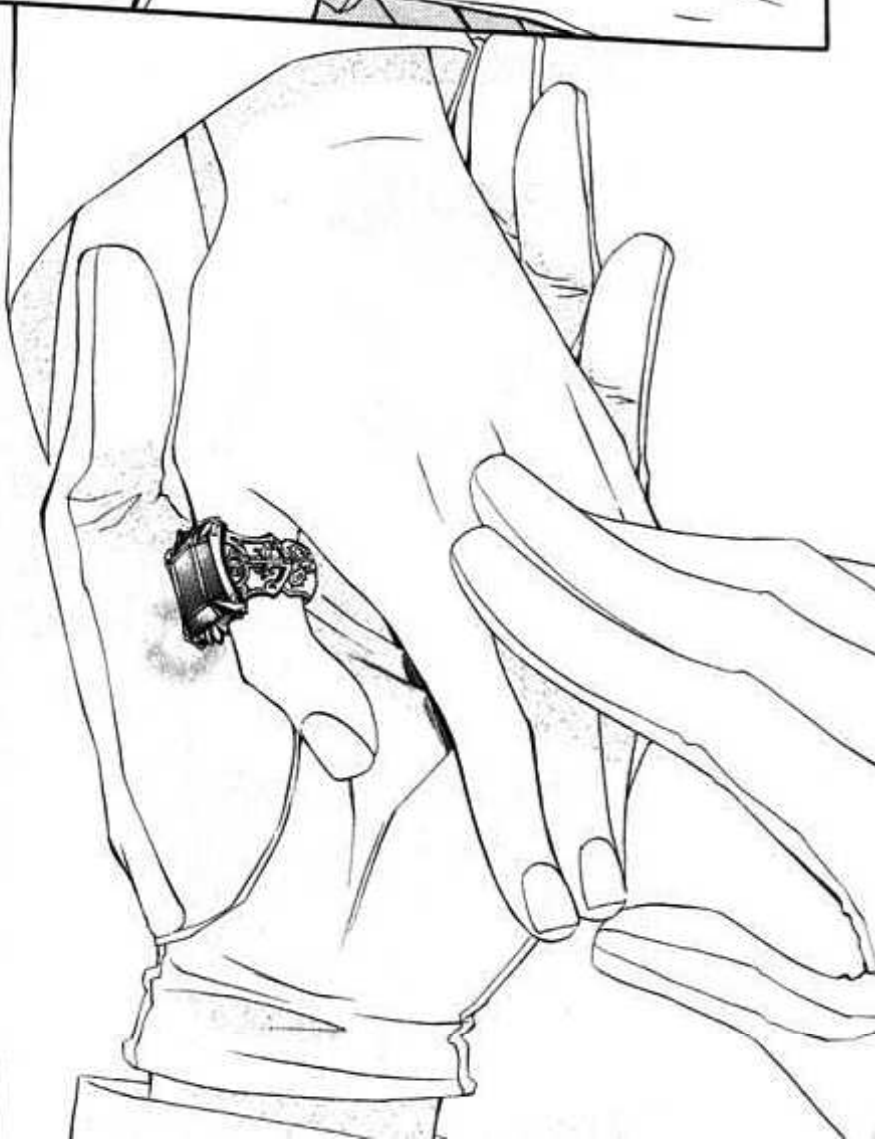

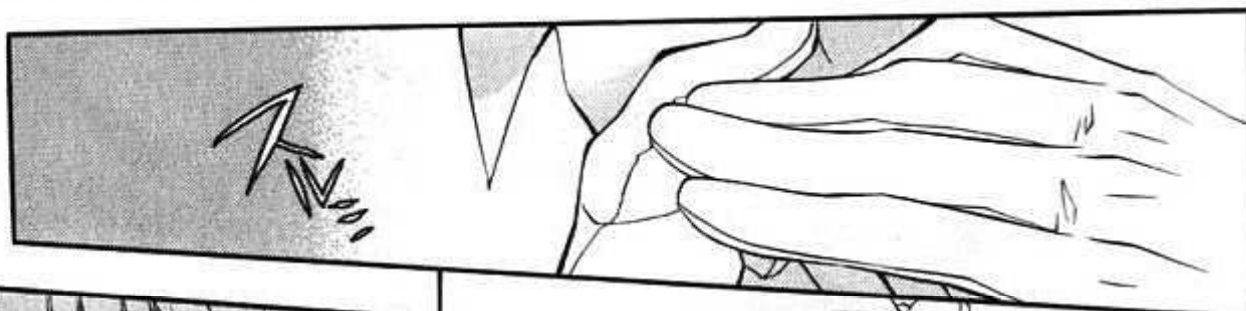

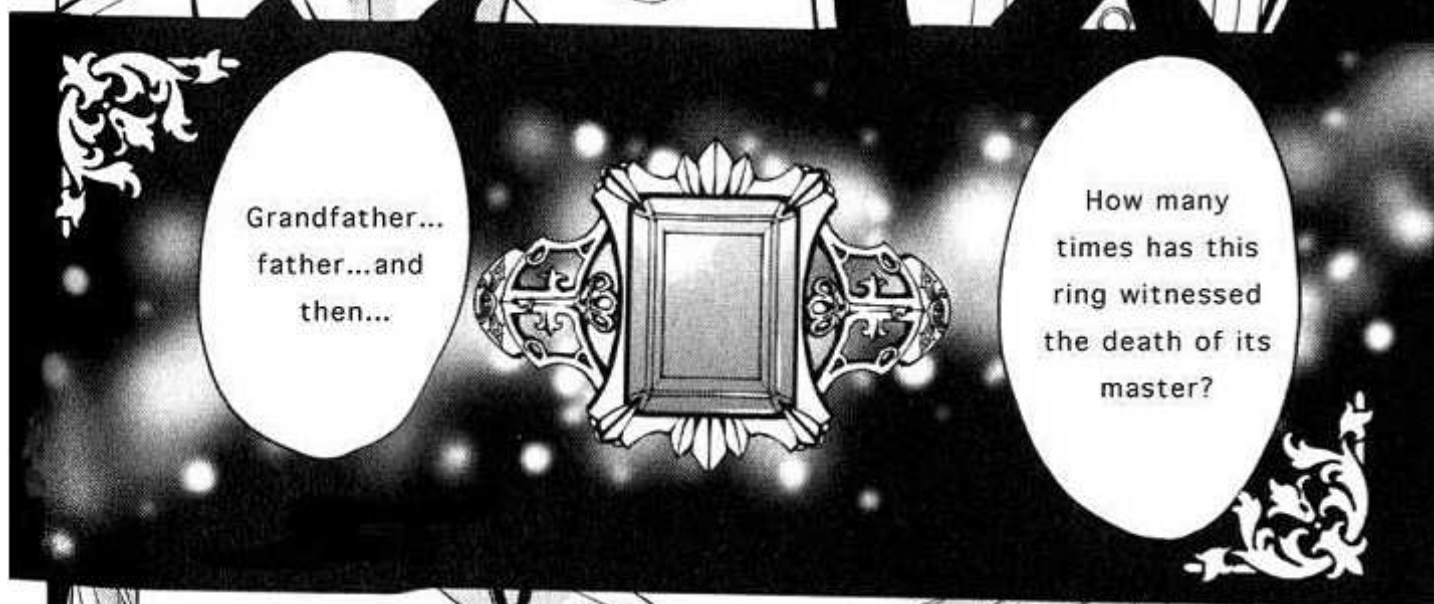

Yes.

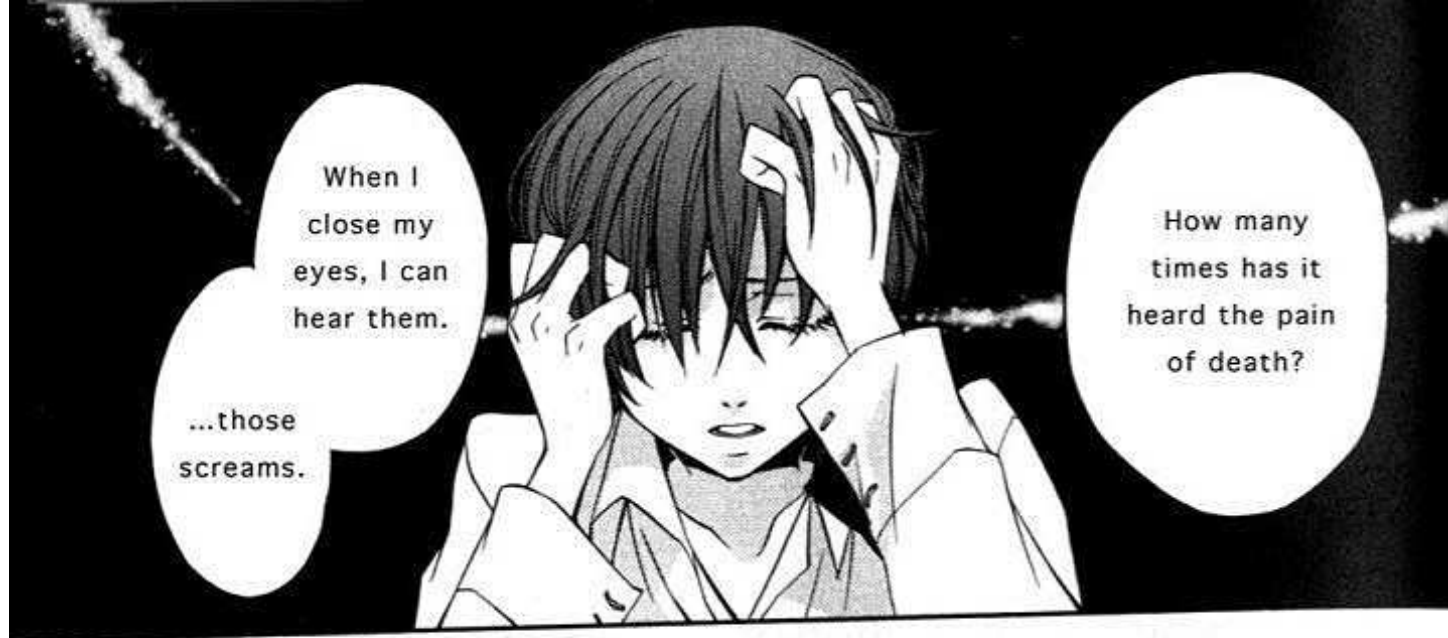

She will
come to pick
Miss Elizabeth
up tomorrow.

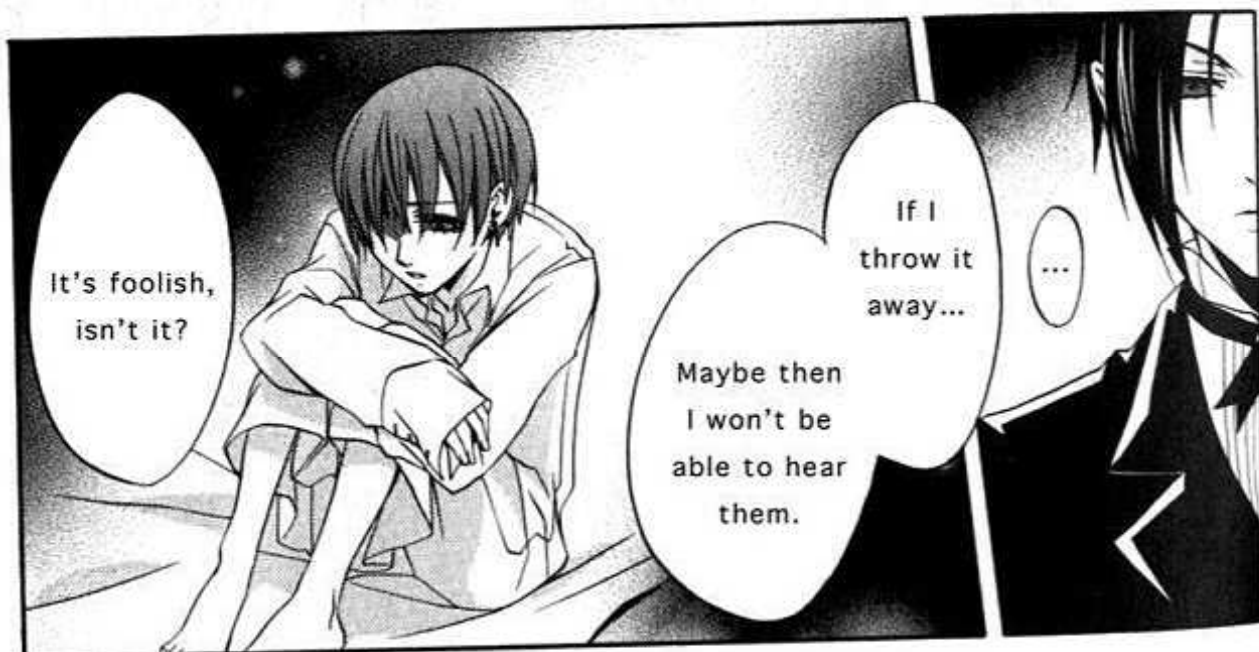

When I
close my
eyes, I can
hear them.

...those
screams.

How many
times has it
heard the pain
of death?

It's foolish,
isn't it?

If I
throw it
away...

Maybe then
I won't be
able to hear
them.

...

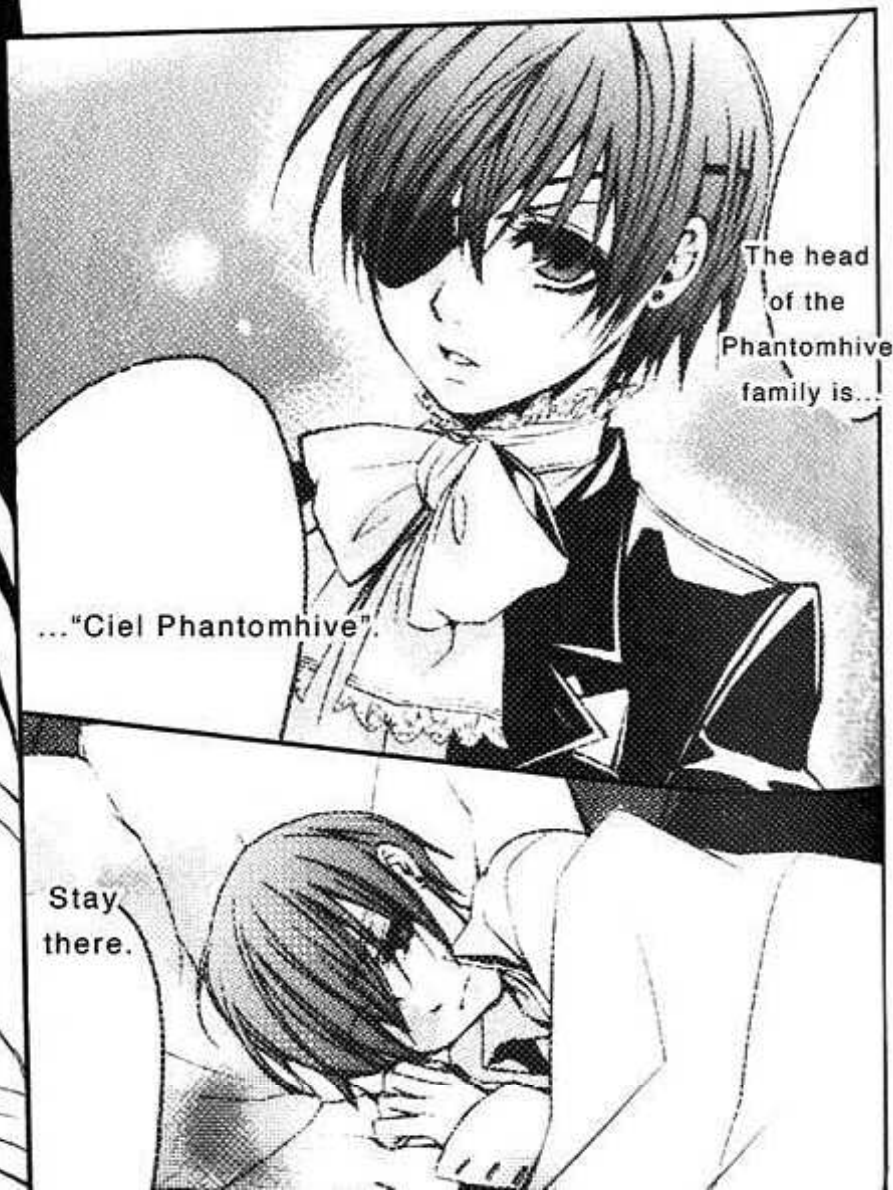

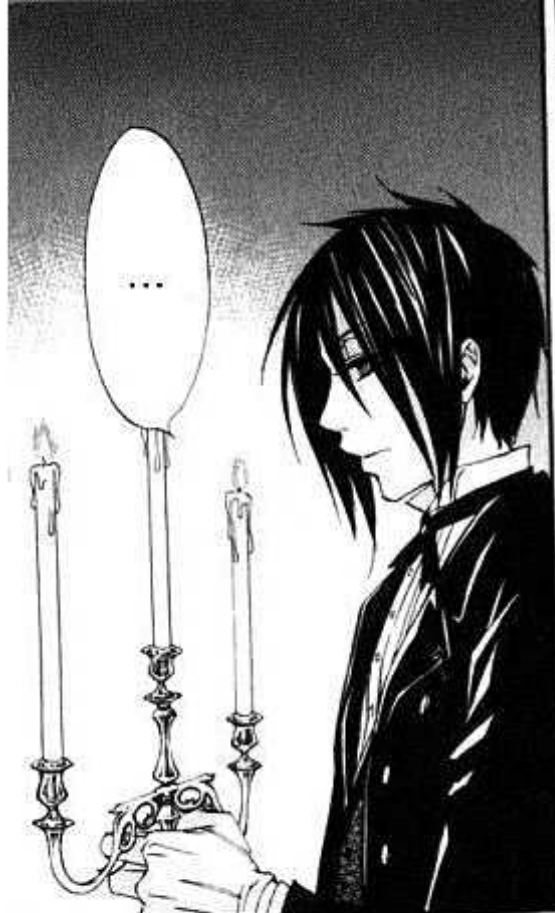

Sebastian

Oh, the
moon is
already
high.

It's not
good for
you. Please
rest now.

A close-up of a character's face, likely a woman, with long dark hair. She has a finger pressed against her lips in a 'shh' gesture. The lighting is dramatic, with strong highlights and shadows.

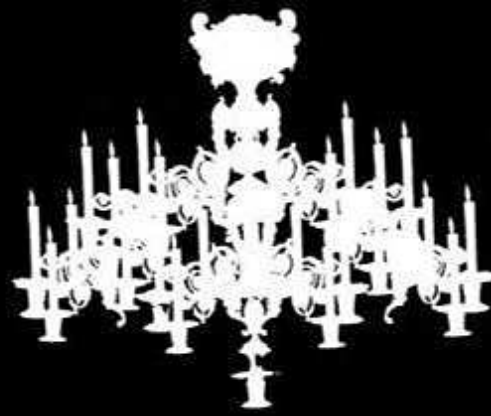

ksssh...

A character with dark hair, seen from behind, wearing a dark, formal suit with a high collar and a belt. They are walking down a long, ornate hallway. The hallway has high ceilings with decorative moldings, framed pictures on the walls, and a large chandelier hanging from the ceiling. The lighting is soft and atmospheric.

Now then...

I must
prepare for
tomorrow.
